

PRESS RELEASE

20/03/2024

KARHOO INTEGRATES SIXT RIDE TO ENHANCE MOBILITY SERVICES ACROSS EUROPE.

- **Karhoo, a Mobilize company, is integrating SIXT ride to provide premium transfer and chauffeur services to its customers, connecting them with over 1 million drivers worldwide on the SIXT ride mobility platform.**
- **The integration of SIXT ride service via the Karhoo platform is initially being available in Austria, Belgium, France, Germany, the Netherlands, Switzerland and the United-Kingdom in early 2024.**

Karhoo will add the SIXT ride service to its global B2B platform for integrated mobility to expand mobility offerings throughout Europe. This integration is intended to improve private and business travel by making transfer and chauffeur services more accessible. Karhoo will strengthen its white-label mobility solutions by seamlessly integrating SIXT ride for its customers, giving them access to the 600+ destinations covered by SIXT ride worldwide.

Via Karhoo, the SIXT ride services will be available in Austria, Belgium, France, Germany, the Netherlands, Switzerland and the United-Kingdom in early 2024. The complete technical integration for other European markets will be completed throughout the year, leveraging existing partnerships with Karhoo's partners.

Accor will be the first partner to benefit from the SIXT ride offer, enabling *ALL – Accor Live Limitless* guests to book their taxi via the *ALL Mobility Service*.

Terry Coates, Chief Executive Officer of Karhoo, states "*Through the integration with SIXT ride, we harness our collective capabilities to establish a Mobility-as-a-Service (MaaS) ecosystem, revolutionising the manner in which individuals access and employ transportation services. Connected to over 1 Mio drivers worldwide from SIXT ride platform, Karhoo's demand partners' and their customers' have access to smooth and effective mobility solutions across European regions where we are already well-established.*"

About Karhoo

Karhoo connects vehicle fleets from all over the world with operators from the travel and hotel industry to create mobility solutions for travellers. Its platform provides seamless integration options (API/SDK/microsite) that enable partners to offer ground transportation services natively via their websites and applications. Karhoo is supported by Mobilize, Renault Group's brand dedicated to new mobility, and employs 100 people around the world, with main offices in London and Krakow.
